AIR EXPERIENCE EVENING

DIRECTIONS TO SEIGHFORD AIRFIELD

Seighford Airfield is located about 3 miles North West of Junction 14 on the M6.

If you are approaching from the M6 or from Stafford, leave at Junction 14, and take the A5013 in the direction of Eccleshall.

At the village of Great Bridgeford, turn sharp left onto the B5405 over the railway bridge, and stay on this road for about 1 ½ miles. Just before the Ladfordfields industrial estate on the right, turn sharp left into Clanford Road.

The entrance to the Gliding Club is on the right after about 100 yards.

Drive down the track alongside the airfield on your left for about ½ mile until you come to a car park and the clubhouse buildings. Please don't attempt to drive onto the airfield.

If you are coming from the west, take the B5405 from Woodseaves for about 3 miles.

Just after you pass the Ladfordfields industrial estate on your left, turn sharp right into Clanford Road and you'll find the entrance to the Gliding Club on the right after 100 yards.

After passing through the main gate, follow our track for about ½ mile and park by the clubhouse. Please don't go on to the airfield itself until you've been briefed by an Instructor in the clubhouse.

A map can be found on the club website: <http://www.staffordshiregliding.co.uk/>
